

giving graciously

The list below is for items you can bring to church to support *Uniting Care West Tranby House* and *Share the Dignity*. The list is not inclusive: bring anything a homeless person might appreciate.

If you are collecting for a woman: place your item in a used but useful handbag with a drawstring bag inside [the drawstring bag keeps everything neat]

If you are collecting for a man: place your items in a used but useful backpack or small duffle bag, with a drawstring bag inside
